

**THE BEATING HEART OF THE HOME...  
IS THE FAMILY, INSIDE!**

.For over 20+ years, we have helped over 5,000 families find their heart, within the confines of their newly built home! Happiness & Memories are made every day in our homes, children are born & raised there! The feeling of the security of your own home is priceless... and we do not take our purpose in life, lightly! The joy of bringing a lifetime of great memories, to our families, is our passion and our purpose!

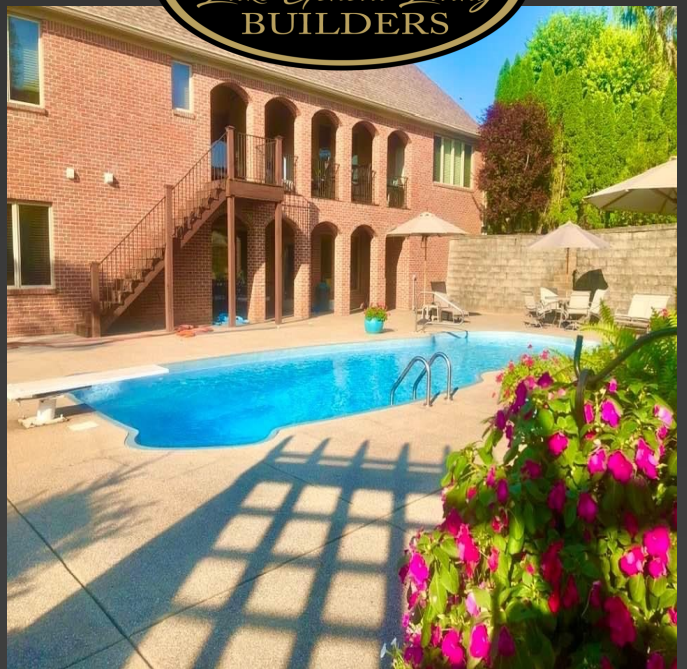

In that spirit we continually strive towards, the never-ending challenge of continuing excellence, whether it is finding new technology, the latest energy codes, up-to-the-minute loan strategies, breakthroughs in land development and keeping our loyal trade families, while also, developing new & inspiring trade friendships and partnerships!

Throughout the years, we developed new strategies, for emerging cultural trends, as well! Such as Outdoor Living, and introducing; extending your families enjoyment! Outside as well as Inside, their homes! Outdoor Kitchens, Fireplaces, Water & Fire Features, have changed drastically, the enjoyment of the home, as well as the intrinsic value too!

To witness our Families memories & joys has been priceless and we are eternally grateful, for the honor of building their homes... and it would be our honor to build YOURS as well!

**TO ALL OF OUR FAMILIES, IT HAS BEEN A BLESSING!**

**THANK YOU!**
